

As a resident of the local community, K-LOVE radio serves me daily with clean, safe broadcasts that I listen to every single day. If K-LOVE were to be displaced by an LPFM broadcaster providing other programming, as far as I am concerned, there would be no reason to even listen to the radio anymore. K-LOVE offers positive programming that keeps its listeners connected to one another as well as to God in a supportive manner. I personally have requested prayer from the station once and received such an encouraging note in return that I was extremely impressed with their response. Additionally, I sent an email comment to them once, and again received an answer that went above and beyond the call of duty. I am sure my experiences are not unique to the manner in which K-LOVE operates. It is extremely important to keep this program on the air without interference from other programming. Please do not do anything that will compromise the wonderful work those folks perform. Thank you for listening.
